

## Take the **MASTER SCUBA DIVER CHALLENGE** Your Next Step - **Advanced Open Water Diver**

Move up and experience real adventure with the PADI Advanced Open Water Diver course. The Advanced Open Water Diver course takes you one step closer to Master Scuba Diver – the ultimate non professional certification in recreational diving and awards you with a 30 meter depth rating.

Course duration is two days and you will complete five dives that will give you the opportunity to try some of diving's most rewarding and useful specialty activities, such as deep diving, wreck diving, night diving, navigation and more.

Prior to starting the course, you must be a certified PADI Open Water Diver or equivalent, as well as be in a state of reasonable physical condition for diving.

Course cost includes all tuition, full gear hire, personal copy of the Adventures in Diving manual, 5 dives and certification fee (Manual cost will be taken off the course cost if you have already purchased your own manual).

Upon completion, you will receive your temporary licence (valid for three months) and your full licence will arrive in the mail in 4 – 6 weeks.

Please Note: Dive and Travel insurance is highly recommended
